

Junior Gathering 2018

Attendance Policy

For newborns to those entering 6th grade this fall: (Acorns, Pinecones, Sprouts, Saplings, Pinetrees)

Parents must sign these children in and out of morning and evening groups daily.

Children in these groups who do not arrive for their group will be missed but we will not search for them.

For middle schoolers entering 7th to 9th grade this fall (Oaks):

Starting Monday evening with a parent's written permission these young friends may sign themselves in and out.

We will search for older children who have been given permission to sign themselves in and do not show up!! This may mean interrupting a parent's workshop.

Parents must inform staff if a child is not going to Junior Gathering

For all Junior Gathering Participants:

During program time children must either be in their group, with an adult, or in their room with an adult. Children and middle-schoolers may not walk around campus on their own during Morning Workshop or Evening Plenary times.
