Dear Friend,

As the days get longer and colder, it's more and more tempting to curl up inside with a book. QuakerBooks of FGC recognizes it's important to nurture ourselves in these dark winter months. We're offering resources to humbly explore our spiritual journeys, spread some holiday cheer, and prepare for new books to read together in the New Year.

Ellen Michaud is joining BookMusings to provide her first in a series of Quaker book reviews. Ellen is the editor-at-large for Life Happy Magazine, and the author of *Blessed: Living a Grateful Life*. We're excited to share her thoughtful reflection on Quaker books as part of BookMusings.

In the Light,
Graham Garner and Jerimy Pedersen
