The Healing Center at Virtual Gathering 2020 is able to offer a limited number of 1:1 distance healing/prayerful healing sessions to Virtual Gathering registrants, FGC staff, workshop leaders and leaders in youth programs.

- **Sign up is on Sunday June 28 and Monday June 29 ONLY.**
- Persons requesting a session (Seekers) must sign up through the email address GatheringHealingCenter@gmail.com. You must send
 - your name
 - your email address
 - your request/condition, or brief explanation
 - the **time zone** you will be in between June 29-July 3
- **Only one request per person.**

SEKERS WILL RECEIVE an email from an experienced Healing Center practitioner. Practitioners are asked to have **HC in the subject line**, so their message doesn't land in spam or trash. The practitioner will let the seeker know what day and time they will be holding the seeker in healing light/in prayer. **Days and times are entirely up to the practitioner.** Seekers do not have to be in worship/in the quiet during the session, though sessions may be felt to be more effective if the seeker is prepared/is in waiting worship.
