This letter contains important information and you should review it carefully.

The Virtual Junior Gathering Kicks Off on June 28, 2020!

Dear Parents and Guardians,

We are so excited to be together with you and your family at FGC's Virtual Gathering. We wanted to touch base with you about the week and what to expect.

The current times are pushing us to adapt in ways we haven't had to before. Now is the time to Gather and be with friends. We hope that the Virtual Junior Gathering will provide the meaningful community that we treasure at Gathering.

Preparation for and Participation for Virtual Gathering

- If you have not already, please sign the [Online Youth Safety Policy](#) **(before the start of Gathering on 6/28)**. If your child is age 10 or older, we ask that they review and sign it as well.
- All of the Virtual Junior Gathering will take place on Zoom. Here is a link to [Zoom's Privacy Policy](#).
- Information on Junior Gathering's schedule and activities will be available at the [Virtual Gathering Sched app](#) or on the [Virtual Junior Gathering webpage](#). More info about Sched was sent to you yesterday via email in your Final Details Letter.
- If you plan to attend Thursday's Kite-Making workshop, please see the attached video for what supplies you'll need!
- If you or your child(ren) are planning to participate in the **Junior Gathering Open Mic** on Friday 7/3, [please fill out this sign-up sheet](#). We plan to have a dress rehearsal earlier in the week, to make sure sort out any virtual issues with each performer.

We are looking forward to meeting each of you and sharing the week with you. We trust that if you have any concerns or your child has any problems, that you will share them with us and we will do our best to alleviate the issue. In turn, we will come to you with any concerns that we may have. Of course, you can always reach out to us if you have any questions or concerns.

Thanks again!
