

Chestnut Hill Friends Meeting
Library Committee Annual Report 2020
February 21, 2021

The Library Committee is composed of Meg Mitchell, Betty Hartzell and Esther Gilbert. We have had our activities largely curtailed due to Covid-19 and our inability to have physical access to the Meetinghouse. Decisions about purchasing new books are put off until the building is fully reopened. Meetings have been largely postponed until then.

We offered a book group by Zoom last Fall, and fourteen people studied the book *Me and White Supremacy* by Leyla Saad. We anticipate offering another book study in the coming year.

An open book discussion was held on February 14, with nine participants bringing favorite books to share.

Committee members are ready to return to work.

Respectfully submitted,

Esther Gilbert
