

Grief like a Tsunami

Like a tsunami  
This loss  
Sudden and enormous  
Unheralded and overwhelming  
Caused by a distant quake  
In the depths  
A single cell  
Gone mad with dividing  
Undoing the work of trillions  
In the vast calmness of your being  
Your sweet simplicity  
For us now  
Among the eternal verities  
Unlike a tsunami  
This loss  
Has many waves...
