### **Chestnut Hill Friends Meeting (CHFM) Rental Cancellation Policy: Due to Inclement Weather, Force Majeure, or Unsuitability of the Building**

1. In the event of inclement weather (e.g., un-cleared snow on the roads, flooding rain conditions), Force Majeure (e.g., a state of emergency declared by the Mayor of Philadelphia or the Governor of the State of Pennsylvania), or unsuitability of the building (eg, an electrical or plumbing failure in the building), the tenant or CHFM may initiate a request to cancel. However, the actual decision is solely at the discretion of CHFM.
2. CHFM will make best efforts to consult with the tenant before cancelling the rental. CHFM will notify the tenant as soon as possible if an emergency cancellation is required. CHFM makes best efforts to have their facilities in reliable operating condition at all times. CHFM will have snow cleared within four hours after it has stopped falling.
3. If the rental is canceled by CHFM, the renter may choose between receiving back 100% of the amount paid to CHFM, or an acceptable alternative date.
4. In the event of cancellation due to any of these conditions, CHFM will not be responsible for any other non recoverable costs incurred by the tenant (e.g., perishable food items, non refundable fees paid to the caterer or party rental supply firm).
