What to Do In Case of Emergencies

Call 911 for Fire/Police/Medical/Poison Emergency

Also, in case of Medical Emergency:
  ● Ask if a doctor or nurse are on premises.
  ● Locate first aid kit if needed.

Gas Leak: call PGW (215) 235-1212

Fire and/or Building Evacuation:
  ● Notify occupants, activate fire alarm, if needed.
  ● Call 911.
  ● Immediately proceed to nearest exit, closing all doors. If on second floor, come down fire stairs (not wood stairs) and go out side door.
  ● Assemble at the top of the stone steps on the Blossom Parking lot.
  ● Do NOT assemble on the Meeting driveway. Emergency vehicles will enter the driveway.
  ● Do NOT use elevators.
  ● Do not re-enter building until authorized to do so by emergency personnel.

Fire Alarm Activated When No Fire is Present: See instructions over fire alarm control panel in the foyer near the main building entrance (beside the quilt).
