Limiting Fragrances at the Gathering

We ask all attenders not to use scented products (cologne, perfume, aftershave) and, if possible, to use only unscented soap, deodorant, shampoo, lotion, sunscreen, etc., so that people who are made ill by toiletries with fragrances and harmful chemicals will be able to enjoy the Gathering. The Gathering has provided fragrance free soap in some public bathrooms, bar soap and shampoo for your use in the dorm bathroom, and detergent throughout campus. **Fragrance Free toiletries are also available in the Gathering Store.**

We Need Golf Cart Drivers!

All drivers must have five years driving experience, and attend training. See Daily Sheets for June30-July2 training time options.
