Dear Friend,

This April, Friends General Conference staff and volunteers from across the United States and Canada are working hard to bring forward all kinds of exciting projects and new developments. As we look forward to unprecedented Quaker participation in the White Privilege Conference, seeing many of you in Minnesota in July, and launching the Spiritual Deepening program later this summer, here's a taste of what your Friends have been up to. We hope your lives are joyously full and presenting you with new adventures and spiritual growth.

In the Spirit,
FGC Staff
